

Identity Evolving Worksheet

When we change our habits we... change! This change is a fundamental change to our identity. If we don't know who we're desiring to become, we are much less able to change our habits. We become much less able to sustain the habits of the person we are desiring to evolve into.

Use this worksheet to drop deeply into who you are becoming.

current behaviors

What you do now is a
reflection of the type of person
that you believe that you
are (either consciously or
subconsciously). To change your
behavior for good, you need to
start believing new things
about yourself."
